Upper Captiva Civic Association

2021 Vision

- Engagement
 - Board interactions with groups like County Commissioner, Lee County Community Development, Lee County Codes, LCEC, Fire District, Island Business Leaders, Safety Harbor, etc.
- Communication
 - Regular (perhaps monthly) blog posts to the website with email notices on island news, board efforts, community needs, new member spotlight, etc.
- Involvement
 - Commitment of time and attention by board members, involve membership in planning/problem solving (subcommittees/planning groups)
- Education
 - Blog posts with email notices on topics to help provide a common knowledge and understanding of various topics like island pathways (not roads), Lee County position on our island services, golf cart drivers, best practices for managing difficult renter topics, etc.
- Outreach
 - Efforts to contact new island owners for membership and participation. This will require that we have a good handle on what UCCA is about and what value membership brings.
- Community
 - Building our Island Family through events and gatherings (safely) that can foster the idea that we are better as a community than a scattered number of individuals standing alone (even if we always do not see eye to eye or agree on everything).
